RELEASE OF LIABILITY: I, the undersigned, know that Nordic skiing is an action sport carrying significant risk of personal injury, including, for example, over-exertion, exposure, and injuries from falling and/or colliding with various objects, including snowmobiles, trees and other participants, at high rates of speed. I am participating voluntarily and know that there are natural and man-made obstacles or hazards, surface and environmental conditions and risks, which in combination with my participation and actions, can cause very severe or occasionally fatal injury. I agree that I, not the ski race, its staff, ski clubs, officials, sponsors, aid workers, volunteers or trail groomers, am exclusively and completely responsible for my safety while I participate in or train for this event. I assume all risks of injury.
