## Michigan Cup Clubs

Under separate cover I have sent your copies of the Michigan Cup brochures.

As the season gets under way you are responsible for the following:

1. Getting your roster to both Ken Dawson and Carole Mueller-Brumbaugh
2. Remit \$5 for each skier you wish scored in the Michigan Cup to the Michigan Cup Committee via Carole Mueller-Brumbaugh with roster.
3. Rosters must be sent to both Ken and Carole and money to Carole by Jan 1, 2004.
4. Rosters should include both the age of the skier as of Dec 31, 2003 and the birthday of each skier.
5. Additional names can be added until Jan 15, 2004 – None will be added after that date. Names must be in to both Carole and Ken at that time.

As you know we have a new website this year which is run by Mike Muha. He has already posted several race entry forms. Click on the Michigan Cup icon at [www.nordicskiracer.com](http://www.nordicskiracer.com). Mike is also running pages for each Michigan Cup Club. He posted the GRNST newsletter and workouts. We have gotten several non-GRNST members to show up at workouts. Take advantage of this benefit.

For anyone looking for last year's results, they are on the website and can be printed from there as well.

Cross Country Ski Shop held off a charging Cross Country Ski Headquarters for their third win. Team Nordic Ski Racer is new this year and has included Ullr/Maybury and Ann Arbor Ski Team. Could be a very competitive year.

Please adhere to the deadlines listed above. Asking to add names after those dates only puts us in difficult positions when the competition is tight and is not fair to the other race teams.

I have included a copy of the Michigan Cup minutes. New this year is a tie breaker procedure and a petition procedure for races moved to a now Michigan Cup date. Also Wendy Anderson has agreed to work on youth ski development. If you have ideas please send them to her or if she asks for your help please oblige.

Thanks for making the Michigan Cup what it has become. Without clubs and team competitors, the series just would not be.

Time to put the rollers away and slip and slide!
