### **Solda Glide wax:**

Base: Mix Solda UF7 and Performance Green 50/50. Scrape and brush. You could use F15 Violet instead.

Paraffin: If there is some new snow before Saturday, go with Solda F40 Orange Special. (Could use F31 Orange. If there is now new snow and the snow is older and transformed, go with Solda F40 Red Special (F40 Red would be good.)

Top Coat: Solda HP04

### **Budget wax:**

Base: Solda Performance Green

Paraffin: Solda F31 Orange.
