From the Board

" Winter's gone, a fading memory. Now is the time of bagpipe music, giant bunnies, more daylight and rebirth. Make sure you take time out of your life to get out and enjoy. We, at GRA, are looking for ways to improve our community's recreation outlets. Once again this summer we will be expanding our single track, offering more programs to get out and enjoy our community trails and improving our ski trails for the next season. Whether you are a mountain biker, runner, walker, etc. there are trails in the community to get out enjoy. Please take time to look at our program offerings and see if something floats your boat. If not, drop us a line and let us know how we can improve. Have a great spring and summer season."
